Discover why Hong Kong is called Asia's World City in our Day tour which includes ride on the iconic " Peak Tram" to visit the famous Victoria Peak to enjoy birds eye view of Hong Kong. Later drive on the circular road to Aberdeen Fishing Village to witness the daily routisne of the local fishing community. Drive past the Repulse Bay to our last stop at Stanley Market and promenade.

Probably the best-known Hong Kong landmark, Victoria Peak overlooks the entire city with panoramic views across the harbour to Kowloon and down the southside of the island all the way out to outlying islands such as Lamma, Cheung Chau and Lantau on a clear day. Offering the ultimate Peak experience - ride up the 130-year old Peak Tram funicular and journey to the Peak Sky Terrace.

Originally an area reserved for prominent European residents from the 19th century onwards, the Peak has always been popular due to its incredible views and cooler climate compared to the rest of Hong Kong island. Prior to the opening of the Peak Tram in 1888, residents were carried up the steep slope in sedan chairs. The quaint and charming Aberdeen Fishing Village is not far from the hustle and bustle of the heart of Hong

Kong, but seems like light-years away from it all, at first look.
