- Later proceed to the **Bloukrans Bridge** which is the world's highest bungee jumping bridge (218m) - The most amazing experience of your life! That pretty much sums up why we are doing what we do. How we do that is by keeping everyone safe, treating everyone with respect and helping people have fun! We do all this with a long bungee cord attached to Africa's largest bridge. The view from Africa's highest bridge captures all the majesty and tranquility of the Bloukrans River valley. But there is nothing tranquil about throwing yourself more than 200 metres down towards the river below. Recognised as the 'highest bungee from a bridge' in the world, Bloukrans Bungee uses pendulum bungee technology to ensure the smoothest, most comfortable bungee jump possible.
